**A M E N D M E N T**

Sub para 5(v)(b) of the G.O. 4<sup>th</sup> read above shall be substituted as noted below:-

5(v)(b) In cases where the **enhancement** ordered by the Reference Court **is 100%** or more over the award made by the Land Acquisition Officer as on the date of order, including all benefits such as solatium, additional market value and interest and also the future financial liability on account of Section **18** references and Section **28-A** applications covered by the same notification U/s. 4(1) of the L.A. Act, 1894 is **Rupees ten lakhs and above**, the Land Acquisition Officers concerned i.e. Revenue Divisional Officers, Special Deputy Collectors and Special Tahsildars, etc. in so far as the Land Acquisition Court cases relating to Irrigation & CAD are concerned shall file appeals before the Appellate court i.e. **High Court / Supreme Court** and in cases where judgment from the Hon'ble High Court / Supreme Court is final, the Land Acquisition Officer should process the proposals for sanction of payment of decretal charges duly taking the responsibility for the calculation of amount. A considerable delay is being experienced for want of copies of court judgments in respect of land acquisition cases either to settle the case or to prefer further appeal in courts. It was decided to keep certain amount in court deposit to obtain certified copies of court judgments in respect of land acquisition under irrigation projects either to settle the cases or to prefer further appeals in courts immediately without further loss of time.
